Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Vertex. It has a solid platinum case surrounded by a row of diamonds and then more diamonds to the articulated shoulders, the design is much of the Art Deco era. The lovely design shoulders are attached to a Rodium plated steel strap. As you would expect from Vertex the diamonds are bright, crisp and evenly matched weighing approximately 1.5ct in total. It is quite stunning with a white dial which has been professionally restored. A new glass has been fitted and the watch professionally cleaned and polished so it is absolutely pristine. The 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. It is fully marked as platinum on the case. As you would expect from Vertex the watch is fully marked on the movement VW. It comes complete with a premium black wooden presentation box to keep your watch in perfect condition. Vertex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch head m...
