Item Reference: SA55301

Date of manufacture: 1880

Description

A huge chunk of heavy crystal weighing over two pounds or one kilo; in near perfect condition (one tiny fleabite to one bottom corner, shown and mentioned for accuracy). The square inkwell has been created to sit diagonally so that the two half star cuts create one full star cut on each corner. The domed polished brass lid too sits on this diagonal. An impressive size measuring 3 1/2" square and standing 5" tall to top of lid. Item ID: 31417
