Description

Antique 1905 Waltham Traveler full hunter pocket watch. The watch has a stem-winding movement, Traveler grade, which is working nicely. The movement is fully signed and the serial number 14690386 dates it back to 1905. The movement is protected by an inner hinged cover. The watch itself measures 51.2mm diameter excluding the winding stem and the loop. The case is gold plated and is the Victory model made by the Philadelphia Watch Case Company. The case has light surface marks from use and a few small "dings" to the back but overall it is in nice condition for a 1905 watch. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in nice condition. The signed dial is in nice condition. The watch has its original gold hand and blued steel sub second hand. The watch will be sent in a new presentation box. Price includes worldwide postage.
