Description

Antique carved walnut lamp stand with some fine features, in good original condition & dating to around the 1890-1910 period. This lamp stand is working & we just had it re-wired with a gold flex fabric. The shade came with it & I think it suites the lamp. We are not charging extra for the shade, so it's optional. The stand is nicely turned all the way down, with interesting carvings in the middle & fluting at the base. The tripod legs are deeply carved on the tops & the feet are in the form of goat hoofs. This lamp stand is quite spectacular & full of character. Please enlarge the images, especially of the carved legs & feet. Width base – 18 inches, 45 cm Width shade – 22 inches, 56 cm Height to socket – 62 inches, 157 cm Height to shade – 72 inches, 183 cm
