Description

A small antique pine farmhouse cupboard that is in very good order throughout. Dating from c.1915, recently stripped of its original paint exposing a very clean and tidy bare wood. It is now ready for waxing or painting. There are two small drawers above a double door cupboard, with a single shelf inside. Could be used in a kitchen or dining room, hallway or landing. As a storage cupboard in a bathroom, or a TV cupboard. We think originally it would have either been used in the kitchen or beside a bed. Height 33", width 39.5", depth 21.5"
