Description

Pair of antique William IV mahogany turned bobbin framed armchairs. The frames are in excellent original condition, sturdy & full of character. The turned bobbin legs sit on original brass capped casters. The cushions are original to the chairs & have been recovered in a neutral fabric. Considering these chairs are nearly 200 years old, they have been really well cared for. I've had similar single armchairs like these, but never pairs & never in such good condition. Width – 26 inches, 64 cm Depth – 27 inches, 68 cm Height – 34 inches, 85 cm Seat height – 15 inches, 37 cm
