Description

A charming tapered legged Mahogany Stool of good quality timber. Standing elegantly on the tapered legs, combined with being of a good useable height, make this stool, not only a good looking piece of furniture but of immense practicality too. The seat is covered in an old tapestry that shows signs of wear and is fraying in certain places, if you like the 'lived in' look then it really suits the stool, or alternatively it would be a simple task to cover it in something more to your taste. Circa 18th century & later Dimensions Width 22in/56cm Depth 14in/36cm Height 17in/43cm
