Description

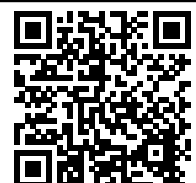

A fine large Art Deco cocktail shaker made from EPNS (Electro-Plated Nickel Silver). These examples are hard to find with the addition of an integrated lemon squeezer within the top; highly sought-after. This one has to be one of the best we have had of its type, a large 1 1/2 pint capacity and retailed by Thomas Goode in Mayfair, still in operation. Established in 1827, Thomas Goode & Co. is a London institution, long recognised as a byword for opulent luxury and exquisite craftsmanship. The shaker was made by the well renowned silversmith, James Dixon and Sons, a top-notch manufacturer and a top-notch retailer. Dating to the Art Deco era, c.1930 it remains in excellent condition measuring 4 1/4" in diameter x 8 3/4" tall. Item ID: 40232 FREE Worldwide Registered Airmail Directly From London, England
