Description

Lovely French early c19th solid oak farmhouse table with a pair of later solid oak benches, seating 10 to 12 on the benches with room to sit at the head of the table too. The table has a great mid oak tone to it, just cleaned and beeswax polished, so there are some good character and age marks throughout the top. The top itself has good grain and made up of just three full length oak planks. Standing on a solid oak base with chamfered legs, braced at the ends and all in good original condition. The pair of benches fit the table perfectly, so I am offering them as a set at a reduced price for the set together...the benches are a good width so there is good bottom room, often t=not the case with benches! They are a solid frame and in good condition too. Measuring: Table: 30 3/4" or 78cm high 31" or 79cm wide 99" or 252cm long 23 3/4" or 60cm height from the floor to the underside of the table Benches: 19 3/4" or 50cm high 9" or 23cm wide 98 1/2" or 250cm long Delivery to most England, Wales and Scotland addresses at £95, but please send me your postcode if you are a bit remote or coastal as it could be more, or you are very welcome to collect from me in U...
