Description

Lovely quality pair of French mahogany console tables with barley twist columns, original marble tops and concave plinth bases, circa 1880. Good decorative pair and a great size to use as pier tables, hall tables etc...useful surface area for displaying a vase etc...just need a pair of mirrors to hang above them! Well made and in lovely condition, they have cleaned and beeswax polished really well, great colour and those barley twists look fantastic. They are a sturdy pair of console tables too, so if you have a heavy bronze to put on each table, no problem at all.
