Description

An exceptionally pretty pair of Victorian, silver plated grape scissors. The scissors are not engraved, simply plain silver plate, apart from the central medallion that has an embossed beading around it. The shape of the scissors is particularly attractive. They open and close very nicely and work well. They are comfortable to hold in the hand and use. Condition: These grape scissors are in great antique condition. Marks: The marks for EPNS can be seen on the side of the cutters. Measurements: Length: 13.7 cm approx. Width at widest part 5 cm approx.
