Description

A large antique pine cupboard with a single door (opening from left to right), 3 adjustable shelves inside (the shelf supports can be moved into different slots to adjust the height of the shelves), and a drawer at the bottom. The shelves just lift out, so I could fit a new hanging rail at the top if you'd like to use this as a wardrobe. The internal depth (hanging space) is 17" so would be perfect to use as a children's wardrobe or for just hanging shirts and other smaller items. This cupboard does not dismantle, so please be very careful to measure access carefully, especially if going upstairs. Currently in the bare wood having recently been stripped. Price includes our professional wax polishing service. Height: 72", width: 39.5", depth: 22", internal depth: 17"

Internal Ref: Z0300D
