Description

Fantastic set of rare French wrought iron gates or room dividers in their original paint and gilded finish, circa 1920. Very decorative, would be fantastic to see them installed to be used, but also fitted to a wall as a stunning feature. The gates are in four parts, the tallest left and right being fixed to the wall with the opening centre sections opening on a hinge. The opening area is 42" or 107cm wide, so a generous space. They could be used inside or outside Measuring: 65" or 165cm high at sides 49" or 125cm high at the centre 59 1/2" or 151cm max width 43 1/4" or 110cm two centre gates 42" or 107cm opening span Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
