Description

An early French carriage clock. A rococo style cast case with a large glass top aperture and a helical escapement. A finely engraved gilt dial masking to the circular enamel dial. 'Signed to the backplate 'Henry, Paris' with outside striking countwheel. Trefoil blued steel hands. An 8-day duration mechanism striking the 1/2 hours and hours on a bell and signed to the backplate. A well designed original 'helical' escapement. Circa 1850. From Kembery Antique Clocks Ltd. you can expect a genuine antique carriage clock that is in full working order. Please contact us to discuss delivery.
