Description

Gents 1950s Sellita De Luxe wrist watch. The watch has a 30-jewel automatic wrist watch which is working nicely... you can sometimes hear the rotor moving around. The watch measures 33mm diameter excluding the winding crown and the lugs. The case is gold plated and the screw-on case back is stainless steel. There is the odd minor mark but nothing too serious at all. The lens is in good condition. The dial is in lovely condition, just a little marking to the hands. The brand name Sellita was registered by Sellita Watch Co SA in 1951. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
