Description

Lovely French solid cherrywood farmhouse refectory table in the most fantastic pale / bleached cherry colour tone, circa 1830 Great table for a kitchen diner, bags of character and good cherry grain running throughout the top itself. The refectory frame below makes the table solid and sturdy, the base of the legs have been capped to raise it up to a typical dining height at some point...this is quite normal for tables of this age. There is a full width drawer to one end, useful storage space. The real charm of the table is that it has been able to age by itself, gracefully! There are knocks and bumps throughout it, but it has been through my workshop and is totally solid and ready to go, fully beeswax polished Very comfortable 6 seater, could seat 8 at a push... Measuring: 28 1/2" or 72cm high 31 1/2" or 80cm wide 65" or 165cm long Delivery to most England, Wales and Scotland addresses at £75, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
