Description

This is a truly magnificent quality French rosewood and marquetry Gueridon centre table with original marble top, circa 1870 and in fine condition. This is without doubt the best quality and most elegant example I have had the pleasure of handling for years, really is a stunning table! Very fine detail to the marquetry freize, finished with a beaded edge. The pedestal itself is a tulip form or reeded style on a square base with further marquetry, standing on four beautifully carved lions paw feet. Certainly a table to be admired, perfect for a large open hall display table or a window perhaps, although you could use this as a breakfast table as it has good clearance underneath if you were to sit at it. Any questions, don't hesitate to ask Measuring: 29" or 74cm high 42" or 107cm diameter 24 3/4" or 63cm height from the floor to the underside to the table Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
