Description

A truly magnificent Victorian Chest of Drawers, having a very rare drawer configuration. Made from Walnut with spectacular Burr Walnut Veneers. All the drawers run smoothly and fitted with original turned handles. The top drawer configuration is extremely rare and in my opinion very useful for those smaller items ! She is round cornered, which is also burred, as is the plinth base. The drawers are cedar lined, always a sign of the best quality. In excellent condition having been re finished by ourselves to a very high standard. Width 121 cm Depth 55 cm Height 120 cm
