Description

This one is for the Purists. A large, untouched 1840s WALNUT FOOT STOOL with original upholstery and hand-sewn tapestry cover. The four bun feet are raised on their original brass castors. It is rare to find an untouched piece, of this age, in such original condition. There are a few signs of wear to the tapestry but it is in overall good condition. It would sit well in a Country House amongst the Howard Chairs and Club Fenders. Height: 8.75 inches (22.5 cm) Width: 20 inches (51 cm) Depth: 20 inches (51 cm)
