Description

19th Century French Hand Made Glass Melon Cloche, cloche à melon ancienne Hand Blown Bell cloche from the Charente Region of France, the glass is green and it has a knob on top, (unlike some that have been removed to allow a better light distribution and prevent burning) A fantastic piece, this wonderful cloche is in good sound condition, it has been stored for a few years so very dusty but when given a tap it rings like crystal The cloche is in good original condition, no cracks, the occasional nibble at the base and imperfections in the hand blown glass We have a total of 2 of these wonderful pieces, the knobs are all different as are the shape of the cloches , they vary in height from 30cm to 34cm in height and 44cm to 51cm in diameter KW76 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left ...
