Description

Antique marble top rosewood grill front sideboard is excellent condition & of wonderful quality. It has all the Regency influences with the Corinthian Columns, brass grills, gilt mounts & brass inlays. I would date this piece to around the 1920's period. The marble is in perfect condition & lifts off from the cabinet. The pleated fabric was there when we obtained it & is still in good condition. We just had this piece French polished. I think the shelves inside may have been replaced at some point, however it's still very smart inside & out. I think these cabinets are very useful, as they take up no more room than a console, but at the same time have loads of storage inside. Width - 54 inches, 137 cm Depth - 15 inches, 37 cm Height - 36 inches, 90 cm
