Description

Large Antique Swedish satin birch coffee table with more height than usual & in great condition. I would date this table to around the 1920's period. Like all antique Swedish furniture, it's very high quality & has some lovely figuring in the satin birch. Most of the carvings are highlighted with gilding, plus it has claw & ball feet. Please double check the measurements because it's quite high. Width - 47 inches, 119 cm Depth - 25 inches, 62 cm Height - 25 inches, 62 cm
