Description

Indian carved teak doors with original paint Indian carved teak doors with original paint arch detail were made in the 19thc. Originally made in solid teak, for a large house for a British family home in India. These doors make wonderful wall art or you might find a space for them if you are making alterations to your home. Normally the original paint has been stripped or painted over, but these have retained the eye catching blue. The doors with applied carved moulding that finish with a pointed arch. For strength there are iron vertical straps that add to the decorative effect. 86cms wide including the hinge lugs.(34ins) 165cms high (65ins) 6cms deep timber not including lugs (2.5ins) UK mainland delivery £75+vat
