Description

1950s silver Buren Grand Prix wrist watch. The watch has a signed 15-jewel hand-winding movement which is working nicely. The watch measures 28.5mm wide excluding the winding crown and 28.5mm high excluding the lugs... it would suit a slimmer wrist. The case is silver and is hallmarked for Birmingham 1952. The case is in good overall condition with just one mark above the dial. There is a 1953 inscription to the reverse. The lens is in good condition. The signed dial is in good condition, just a little discolouration but nothing serious. The paint detail to the numbers and hands has been removed over the years. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
