## Description

An antique "Express" English Lever sterling silver pocket watch from J G Graves of Sheffield. The watch has a key-winding movement which is working well. A winding key will be included. The watch was made by the Lancashire Watch Company and retailed by J G Graves. The watch measures 54mm diameter excluding the stem and the loop. The case is sterling silver and there are hallmarks inside both of the case backs for Birmingham 1904, with a maker's mark WHS for the English case maker William Henry Sparrow. The case has light surface marking from use and a couple of small "dings" to the edge but overall it is in nice condition for an 1900s piece. The watch glass is in nice condition with only the odd minor mark. The enamel dial is signed The "Express" English Lever, J G Graves, Sheffield. The dial is in nice condition. The watch has gold hands and a blued steel sub second hand. The watch will be sent in a new presentation box. Price includes worldwide postage.
