Description

Superb example of a 19th Century Cricket Table with a circular solid elm top on chamfered legs united by turned stretchers. It is in excellent original condition with a wonderful patina. There are many signs of use and age but no major damages and it a solid sturdy piece. Some minor signs of historic woodworm in the legs but this hasn't affected the piece structurally or aesthetically. It has been lightly waxed to retain its aged patina and it is ready for use.
