Description

Circa 1900 this heavy and well made Victorian brass mirror has the original bevelled glass and metal support at the back. It is in very good condition with no signs of damage or repair and measures 43cm in length and 30cm at the widest part. There are little dots of wear on the glass and these can be seen clearly in the main photo. The details around the glass are superb, with two birds either side of the top of the mirror and flowers around the edges. It weighs approximately 2.8kgs and postage and packing within the UK mainland only is included in the price. For outside areas or abroad, please contact us for a quote to delivery.
