Description

Large pair of antique leather wing armchairs with hump backs, shaped wings, deep buttoned backs & well carved walnut legs. These armchairs are very comfortable with plenty of back support. The green leather is naturally aged & has been polished, so they have a great look with plenty of character. They are completely original & the leather is hand tacked onto the frames. These wing armchairs are in good condition with no serious damage & I would date them to around the 1920's period. There is some scratching & scuffing on the cushions, so please enlarge the images to see for yourselves. Width – 33 inches, 84 cm Depth – 30 inches, 74 cm Height – 43 inches, 109 cm
