Description

A fabulous quality suite of 4 Burr Walnut pieces of Furniture. To include a coffee table, a pair on nests of tables and a half moon lamp, console or side table. The lady I purchased this suite from said her father purchased the items new from Harrods in 1908. This would make sense as they are the finest quality pieces i have ever seen. All made from solid Walnut with excellent tight Burr Walnut. All the carved legs, knees and detailing is carved from solid Walnut, very crisp and well executed. All the pieces have fitted glass inset tops. The coffee table and nests have shaped tops. Each item is a good weight, much heavier than the more common pieces like these. It is extremely rare to find one table of this quality let alone 4 matching items and a pair of Nests is unheard of. All in excellent condition for the home. I will split these items as follows: Coffee Table £550 Half Moon Table £450 Pair of Nests of Table £750 (or single Nest £400) Half Moon Table: Width 81 cm Depth 42 cm Height 77 cm Coffee Table: Length 121 cm Depth 51 cm Height 47.5 cm Each Nest of Tables: Width 59 cm Depth 44 cm Height 59 cm
