Description

A highly sought-after and collectible piece of vintage Danish sterling silver by the wonderful designer, Svend Weihrauch (1899-1962) and created at F. Hingelberg in Aarhus, Denmark; this piece was designed in 1946. From 1928 to 1956, the silversmith Svend Weihrauch (1899-1962) was in charge of the workshop and production activities at the Franz Hingleberg Silversmiths company in Aarhus, Denmark- as well as being the company's sole designer. Weihrauch's early consistent use of rationalised production techniques within the sphere of a traditional craft established him as an exponent of functionalism – a fact confirmed by the international success of his work from 1932 onwards, particularly at the World's fair in Brussels in 1935, Paris in 1937, and New York in 1939. A stylish heirloom in excellent condition measuring 4 1/2" in diameter (inc. handle) x 3 3/4" x 2 1/2" tall. Item ID: 40414 FREE Worldwide Registered Airmail Directly From London, England
