Description

Nice and clean Georgian Scottish mahogany occasional / work table of a pleasing design. Four nicely curved and swept legs with boxwood stringing to the corners. Lift up lid to the top section with boxwood stringing to match the legs. All in good clean condition. I think it may originally have had stretchers near the base. Would make a very nice lamp table. SIZE; 17" wide for 13" deep by 29" high CIRCA; 1820 - 1830
