Description

French 19th Century Carved Walnut Throne or Hall Chair This very tall chair is a superb and intricately carved piece, unusually the chair is carved on both back and front so intended to be viewed from all sides, the carved detail is extraordinary. The arm rests have the bearded faces of wise men, the feet at the bottom have the tiny claws of a mythical animal, in addition there are cherubs, vases and swags of flowers The chair back has superbly turned barley twist columns matching the legs and stretchers, and the edges of the seats are also carved, the top rail is carved to match the front stretcher The chair is in very good condition it has a simple drop in seat with new plush velvet upholstery, this would be very easy to change if the colour is not your preference The Chair is 58" high at the back, 26" wide and 24" deep the seat is 27" high KW118 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
