Description

Always very sought-after and always a quick-seller. This is large example of a pressed glass vanity jar with a shaped polished brass lid. I am always amazed at the high quality of the cast brass cat on these modest jars .. quite wonderful with exceptional detailing and retaining it's two original glass eyes. The lid is lucky enough to have an English design registration number (588909) which allows us to date it to 1911. Excellent condition, professionally re-polished to gleam, measuring 3 1/4" high with a lid diameter measuring 3 1/4". Item ID: 40246 FREE Worldwide Registered Airmail Directly From London, England
