Description

A beautiful piece, made from a very fine quality cut crystal and topped with a stunning English sterling silver lid fully hallmarked for Birmingham 1926 together with the makers mark for Charles S Green and Co. The underside of the lid retains the original gilding. Of course it is the pretty pink guilloche enamel that is the star of the show, with a bright patina showcasing the intricate engine-turning below; without doubt the most sought-after colour of enamel. Fabulous condition measuring 3 7/8" in diameter x 3 3/4" tall to top of finial. Item ID: 40222 FREE Worldwide Registered Airmail Directly From London, England
