Sold**Item Reference: SA560438****Date of manufacture: 1950**

Description

A gents 1950s Vulcain wrist watch. The watch has a 17-jewel hand-winding movement, based on a Peseux 330, which is working nicely. The watch measures 34.5mm diameter excluding the winding crown and the lugs. The case is chrome plated. The front of the case is in good condition while there is some pitting to the back. The signed case back is stainless steel. The lens is in good condition. The signed dial is in good original condition with original dauphine shaped hands and a subsidiary second dial. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
