Description

A beautiful mahogany chest of drawers dating from the early 19th Century. Excellent quality and very well made with a lovely rich patina. The drawers run well and it is a clean sturdy set with all the original turned knobs. Internally the drawers are generally clean and tidy. There are the usual small signs of wear, some minor marks and old scratches on the top surface but nothing detrimental and they display very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton. Regular deliveries to London for £50. Nationwide delivery available, please get in touch for an accurate quote.
