Description

Very Rare Yew Wood Windsor Chair, I have never seen this model before I think it must be Thames Valley Region but not to sure, the seat is round which is very unusual, it is a quality chair the depth of turning on the circular wheel in the back splat is remarkable also the rake on the rear spindle supports is unusual , altogether a mystery chair but high quality and excellent condition and fabulous colour and patina. circa 1800 DIMENSIONS WIDTH 52 CMS DEPTH 45 CMS HEIGHT 87 CMS SEAT HEIGHT 43 CMS
