Description

A vintage 1920s Lanco stem winding pocket watch & chain. Langendorf was a well respected Swiss watch making company and they traded for exactly 100 years from 1873. The watch measures just under 49mm diameter excluding the stem. The nickel case has light surface marks from use but overall it is in nice condition. The acrylic lens is in nice condition. The white enamel dial is in nice condition. Blued steel hour and minute hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single albert, 31cm long including the clasp. The watch and chain will be sent in a new presentation box. Price includes worldwide postage.
