Description

This antique burr walnut four door sideboard has a wonderful shaped front, stunning veneers & exquisite carvings all over. The carvings on the doors are in the form of ribbons & bows, whilst there are more fine carvings on the top edges & legs. The burr walnut veneers are stunning & show lovely patterns all over. This piece is very practicable too, with plenty of storage inside the cupboards & a bank of drawers inside one of them. This sideboard is in excellent condition, having just been French polished & I would date it to around the 1920's period. All the cupboards have locks. The solid walnut shaped legs are also nicely shaped in keeping with the shape of the rest of this sideboard. Width – 76 inches, 193 cm Depth – 23 inches, 58 cm Height – 33 inches, 83 cm
