Description

A gents large 1950s Nivada wrist watch. The watch has a Swiss hand-winding movement which is working nicely. The watch is a good size at 36mm diameter excluding the winding crown and the lugs. The case is plated and there is some fairly light marking and the odd mark but overall it is very acceptable for a 1950s piece. The lens is in good condition. The signed dial has a handsome part textured finish, original dauphine hands, centre seconds hand and outer minute markers. Some light marking but not overly noticeable to the naked eye. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
