Description

This pair of antique 19th century French gilt wood salon armchairs also have a matching sofa & pair of side chairs. The whole suite is showing in one of the images & you can also go to one of the other sub-categories to see the rest. They are all in the same good original condition & I believe the upholstery is original too. Having said that, it obviously needs to be re-upholstered & we can arrange that or sell as is. The gilding is naturally aged, so you can see a lot of the red undercoat coming through. I think this is a lovely feature & adds a lot to the character. These chairs are excellent quality & structurally sound. We would rather sell the whole set together, but they are priced & available separately. I would date them to around the 1850's period, give or take 25 years. Width – 25 inches, 64 cm Depth – 23 inches, 58 cm Height – 40 inches, 100 cm
