Description

This antique French gilt wood sofa matches the pair of salon armchairs & the pair of side chairs also on this site. The whole set can be seen together in one of the images below. The frame has intricate carving on the back & fluted legs. Like the rest of this suite the gilded frame is in original condition with the red showing through beneath the gilt work, which gives it loads of character. I would date this sofa to around the 1850's period & I believe the fabric could also be original. It obviously needs re-upholstery & we can arrange that for you if you like, or you can buy as is. We would rather sell the whole set together, but they are being offer separately at the moment. Width - 59 inches, 149 cm Depth - 30 inches, 74 cm Height - 40 inches, 100 cm Seat height - 17 inches, 42 cm
