Description

Lovely example of an early 20th Century filing cabinet with 7 internal trays and an attractive tambour front. It is solidly built from Mahogany and is excellent quality with a solid back and moulding that continues around the whole piece, enabling it to be used as a stand alone piece in the centre of a room or against a wall. It is in good usable condition. The tambour front slides smoothly and it comes with a working key. The shelves are clean and tidy and the mahogany has a wonderful rich patina. It is not without some small marks and knocks and signs of use but nothing detrimental and it displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions at all please ask. Free local delivery within 10 miles of Ashburton, Devon. London £40.
