Description

This pair of antique French gilt wood side chairs are in great shape, besides the original upholstery. They are part of a whole set being sold on this site, including a sofa & matching pair of salons. There is an image of the complete set below & they are also being shown separately on the site. I would rather sell it all together, but they are also available separately. They are all structurally sound & the gilt frames have naturally aged with the red layer underneath showing through. This all give them a great character look. The carving is exquisite too & they sit on fluted legs. I would date them to around the 1850's period, give or take 25 years. Width - 18 inches, 47 cm Depth - 19 inches, 50 cm Height - 38 inches, 96 cm Seat height - 18 inches, 46 cm
