Description

Antique deep buttoned leather Chesterfield three seater sofa with a wonderful colour & plenty of character. It's in good original condition & dates from around the 1920's period. The leather is naturally distressed & there are no rips or tears, just natural ageing. This chesterfield is very comfortable & the leather is deep buttoned on the top, inside back & sides, plus on the seat, which is fully sprung. It's hand tacked all over & sits on turned flat bun feet. These old chesterfields with the buttoned seats are becoming very hard to find now, especially with the original leather & such a great colour. Width – 80 inches, 200 cm Depth – 36 inches, 90 cm Height – 30 inches, 74 cm Seat height – 15 inches, 37 cm
