Description

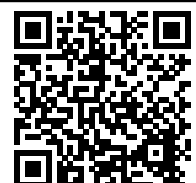

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 286 manual winding movement. The dial has been fully restored so is in perfect condition. It measures 34mm in diameter excluding the winding crown. It also has the Omega symbol on the winding crown and a genuine Omega buckle. You do have a choice of straps. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled ...
