Description

Gorgeous antique opaline glass light dating from the early 20th century. It has a beautiful shape and has its original metal gallery. The light is designed to hang from the ceiling on a chain (not supplied) and the flex runs down the chain and through the hole under the hook which will suspend the bulb inside the light. The light is in good condition with no damages apart from a few small nibbles around the rim. It is ready to install but we recommend the light is checked and wired by a professional electrician. Diameter : 10" (26cm) Height including gallery & hook : 10" (26cm) The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £25.
