Description

Rare late 18th century Paduk wood toilet or dressing mirror. The whole mirror is paduk wood including the drawer linings. Possibly early Anglo- Indian origin. Nice shape base with three drawers with unusual but original turned bun feet. Typical moulded frame mirror with gilt slip and what is probably the original mirror plate with oak back. The brass handles and escutcheon to the drawers are later Edwardian ones. The mirror is in good overall condition, very minor damage to the side square base moulds at the back corners. The first Paduk wood mirror of this style I have seen. SIZE; 19" wide by 9 1/2" deep by 29" high CIRCA; 1770 - 1790
