Description

An attractive mid 19th Century two-tier stand with a galleried top, lower shelf with drawer below and turned legs joined by an x-frame stretcher. A useful size for a bedside table or lamp table. It is in good condition for its age and the mahogany has developed a wonderful rich patina. The base of the drawer has been replaced at some point (see photo). There are general signs of age and use but no major damages or anything detrimental and it displays very nicely. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton, Devon. London delivery £40.
