## Description

A lovely small Florentine wall mirror dating from the late 19th Century. It has a carved and gilded wooden frame with traditional scrolling acanthus leaves. It is in good original condition with the original glass which has slightly worn and spotted in places and has a small bubble imperfection. There are some minor damages and small losses around the edges of the mirror and some minor repairs but nothing detrimental and it displays very nicely. It has been lightly cleaned and is ready to hang. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £25.
